### Packing and Sending "Gift of the Heart" Kits

- Complete Kits should be packed in boxes with only one type of Kit in each box. However, if you are shipping a small number of different kinds of Kits, they can be combined in one box.
- Clearly mark the outside of the box with the contents.
- **Complete the mailing form** and place it inside the top of your box before sealing it. This will provide the name and address of your group sending the kits for the CWS receiving site, and it gives information about how to share your story with PDA.
- Secure the boxes with packing tape.

Ship all kits prepaid to one of the following:
